COMMUNITY MATTERS

SERVE YOUR HOMETOWN AS A MEMBER OF THE AIR NATIONAL GUARD

As an active and integral part of our communities, the Air National Guard is always there – in the best of times and the worst of times. While you may be thinking of returning to civilian life, your experience and leadership qualities are still very much needed by your hometown Air Force – the Air National Guard.

In return for your part-time service, the Air National Guard will

- Count time served on active duty toward your Air Guard retirement
- Recognize the military rank you held at time of active duty discharge
- Offer additional training in your field or a completely new career
- Provide eligibility for the VA Home Loan Program
- Reinstate many of your active duty military benefits

Enter a new era of military service.
